Uniform Relocation Assistance
and Real Property Acquisition Policies
Act of 1970

Declaration of Policy

“The purpose of this title is to establish a **uniform policy for fair and equitable treatment** of persons displaced as a result of federal and federally assisted programs in order that such persons **shall not suffer disproportionate injuries** as a result of programs designed for the benefit of the public as a whole.”

Introduction

In a changing America, government programs designed to benefit the public as a whole often result in acquisition of private property, and sometimes in the displacement of people from their residences, businesses or farms,

As a means of providing uniform and equitable treatment for those persons displaced, your government passed the “Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970,” and the “Uniform Relocation Act Amendments of 1987.” These two laws are the foundation for the information discussed in this brochure.

The brochure provides general information regarding relocation assistance advisory services and relocation payments. Section I contains information important to persons displaced from residences. Section II provides information about relocation assistance advisory services. Section III contains information for displaced businesses, farms and nonprofit organizations. These policies and provisions are now contained in a government-wide single rule published in the Federal Register of March 2, 1989 under 49 CFR Part 24. The rule provides the regulations for all Federal and federally aided programs and projects.

If you are required to move as a result of a Federal or federally assisted program or project, a relocation counselor will contact you. The counselor will answer your specific questions and provide additional information you may need.

If you have a disability that prevents you from reading or understanding this brochure, you will be provided appropriate assistance. You should notify the Agency of any special requirements for assistance.

Some Important Definitions...

Program or Project

Any activity or series of activities undertaken by a Federal Agency, or any activity undertaken by a State or local agency with Federal financial assistance in any phase of the activity.

Agency

In practically all States and Territories, relocation assistance advisory services and payments are administered at the local level by an Agency responsible for the acquisition of real property and/or the displacement of people from the property to be used for a federally funded program or project. The Agency may be a Federal agency, a State agency, a local political subdivision such as a county or a city, or a person carrying out a program or project with Federal financial assistance. An Agency may also contract with a qualified individual or firm to administer the relocation program, but the Agency remains responsible for the program.

Displaced Person

Any person (individual, family, partnership, association, or corporation) who moves from real property, or moves personal property from real property as a direct result of (1) the acquisition of real property, in whole or part, (2) a written notice of intent to acquire from the Agency, (3) the initiation of negotiations for the purchase of the real property by the Agency, or, (4) a written notice requiring a person to vacate real property for the purpose of rehabilitation or demolition of the improvement(s), provided the displacement is permanent and the property is needed for a Federal or federally assisted program or project.

Alien Not Lawfully Present

Public Law 105-117 provides that if a displaced person is an alien not lawfully present in the United States such a person **shall not** be eligible for relocation payments or assistance under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (42 U.S.C. 4601-4655), unless such ineligibility would result in exceptional and extremely unusual hardship to the alien's spouse, parent or child, and such spouse, parent or child is a citizen or an alien lawfully admitted for permanent residence.

Business

Any lawful activity, with the exception of a farm operation, conducted primarily for the purchase, sale, lease, and rental of personal or real property, or for the manufacture, processing and/or marketing of products, commodities, or any other personal property; or for the sale of services to the public; or solely for the purpose of this Act, an outdoor advertising display or displays, then the display(s) must be moved as a result of the project. A “**small business**” is a business having not more than 500 employees working at a site which is the location of economic activity and:

- 1) the site will be acquired for a program or project, or
- 2) the business will be displaced by a program or project.

This does not include outdoor advertising signs, displays, or devices.

Farm

Any activity conducted solely or primarily for the production of one or more agricultural products or commodities, including timber, for sale and home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator’s support.

**Nonprofit
Organization**

A public or private entity that has established its nonprofit status under applicable Federal or State law.

Information for Persons Displaced From a Residence

Moving Cost Reimbursement:

Individuals and Families

If you qualify as a displaced person, you are entitled to reimbursement of your moving costs and certain related expenses incurred in moving. The methods of moving and the various types of moving cost payments are explained below.

Displaced individuals and families may choose to be paid on the basis of actual, reasonable moving costs and related expenses, or according to a fixed moving cost schedule. However, to assure your eligibility and prompt payment of moving expenses, you should contact the relocation counselor from the agency before you move.

State of Residence

Actual Reasonable Moving Costs

You may be paid for your actual reasonable moving costs by a professional mover plus related expenses, or you may move yourself. Reimbursement will be limited to a 50 mile distance in most cases. Related expenses involved in the move may include:

- Packing and unpacking personal property.
- Disconnecting and reconnecting household appliances.
- Temporary storage of personal property.
- Insurance while property is in storage or transit.
- Transfer of telephone service and other similar utility reconnections.
- Other expenses considered eligible by the Agency.

All expenses must be considered necessary and reasonable by the Agency and supported by paid receipts or other evidence of expenses incurred.

Fixed Moving Cost Schedule

Or you may choose to be paid on the basis of a fixed moving cost schedule established for your State of residence. The amount of the payment is based on the number of rooms in your dwelling. Your relocation counselor will be able to tell you the exact amount you will be eligible to receive if you select this option. The schedule is designed to include all of the expenses incurred in moving, including those services that must be purchased from others.

The owner of a displaced mobile home may be entitled to a payment for the cost of moving the mobile home to a replacement site on an actual cost basis. Displaced mobile home occupants (owners or tenants) may also be eligible for a payment for moving personal property from the mobile home such as furniture, appliances and clothing on an actual cost basis, or on the basis of a moving cost schedule. For a complete explanation of all moving cost options involving a mobile home, please discuss the matter with your relocation counselor.

Replacement Housing Payments

Replacement Housing Payments....

**Can be better understood if you become
familiar with:**

**These terms are explained on the
following pages.**

A “Comparable” Replacement means that your...

A comparable replacement dwelling must be decent, safe and sanitary, and functionally equivalent to your present dwelling. While not necessarily identical to your present dwelling, a comparable replacement dwelling should be capable of contributing to a comparable style of living and should contain amenities similar to those found in the dwelling from which you are being displaced. In addition, a comparable replacement dwelling should be:

- Adequate in size to accommodate the occupants. (e.g., you and your family).
- Located in an area that is not subject to unreasonable adverse environmental conditions.
- Located in an area that is not less desirable than your present location with respect to public utilities and commercial and public facilities.
- Reasonably accessible to your place of employment.
- Located on a site that is typical in size for residential development with normal site improvements.
- Currently available on the private market.
- Within your financial means.

If you are a tenant and the portion of the monthly rent and utility costs you must continue to pay for a replacement dwelling unit, after receiving a rental assistance payment, does not exceed the monthly rent and utility costs that you paid for the displacement dwelling unit, or, if your portion of the payment for the replacement unit does not exceed 30% of your gross household monthly income, the replacement unit is considered to be within your financial means.

If you are a homeowner and you have received a purchase supplement (see page 18), and any additional amount that might be required under Housing of Last Resort (see pages 30 and 31), the replacement dwelling is considered to be within your financial means.

Decent, Safe and Sanitary*

Replacement housing must be decent, safe, and sanitary ... which means it meets all of the minimum requirements established by Federal regulations and conforms to applicable housing and occupancy codes. The dwelling shall:

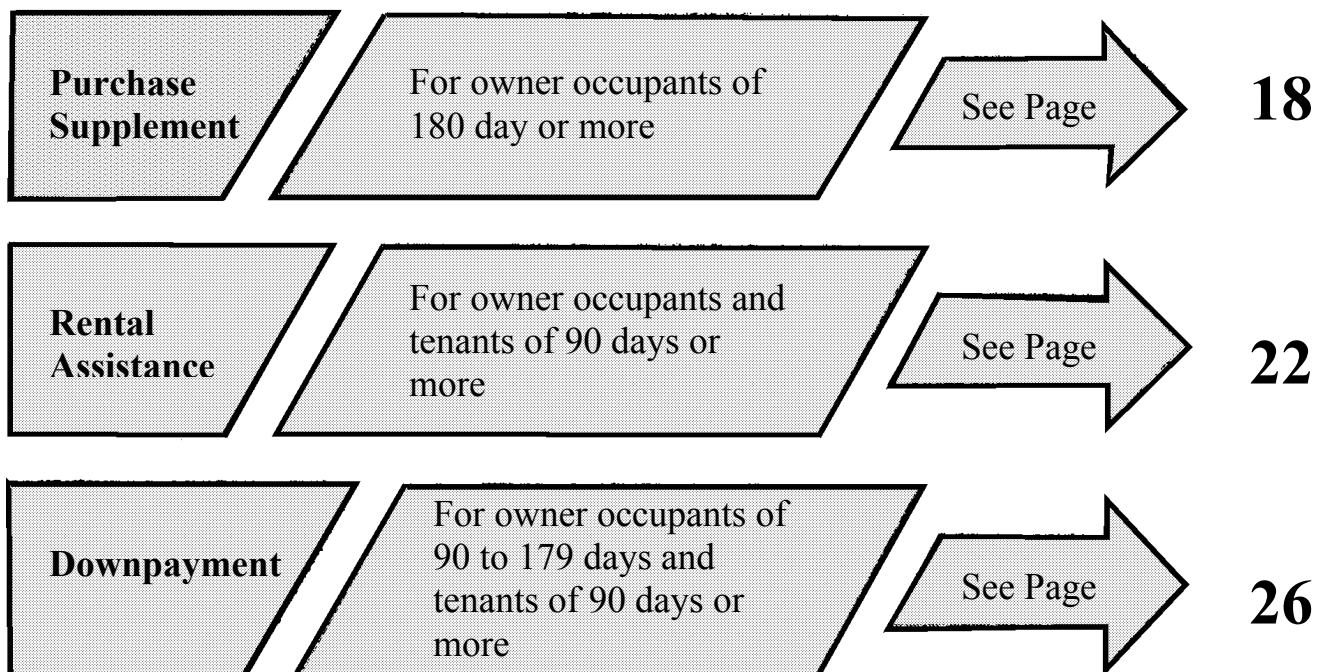

- Be structurally sound, weathertight, and in good repair.
- Contain a safe electrical wiring system adequate for lighting and electrical appliances.
- Contain a heating system capable of sustaining a healthful temperature (of approximately 70 degrees) except in those areas where local climatic conditions do not require such a system.
- Be adequate in size with respect to the number of rooms and area of living space to accommodate the displaced person(s).
- Contain a well-lighted and ventilated bathroom providing privacy to the user and containing a sink, bathtub or shower stall, and a toilet, all in good working order and properly connected to appropriate sources of water and sewage drainage system.
- Contain a kitchen area with a fully usable sink, properly connected to potable hot and cold water and to a sewage drainage system, with adequate space and utility connections for a stove and refrigerator.
- Have unobstructed egress to safe, open space at ground level.
- Be free of any barriers which prevent reasonable ingress, egress, or use of the dwelling in the case of a handicapped displaced person.

*Decent, safe and sanitary is frequently abbreviated as DSS and will be so referenced for the remainder of this brochure.

Replacement Housing Payments Are Separated Into Three Basic Types:

- **Purchase Supplement**
- **Rental Assistance**
- **Downpayment**

The type of payment depends on whether you are an owner or a tenant, and how long you have lived in the property being acquired prior to negotiations.

Complete details on length of occupancy requirements follow

The Two Basic Occupancy Time Periods and What You Are Entitled To

There are two basic length-of-occupancy requirements which determine the type of replacement housing payment you are entitled to. Length-of-occupancy simply means counting the number of days that you occupied the dwelling before the date of initiation of negotiations by the acquiring agency for the purchase of the property. The term "initiation of negotiations" means the date the acquiring agency makes the first personal contact with the owner of real property, or his/her representative, to provide a written offer for the property to be acquired.

Owners who were in occupancy 180 days or more prior to the initiation of negotiations may be eligible for a purchase supplement up to \$22,500 or a rental assistance payment up to \$5,250.

If you are a tenant who has been in occupancy for 90 days or more prior to the initiation of negotiations, you may be eligible for a rental assistance payment or a downpayment up to \$5,250. If you are an owner who has been in occupancy from 90 days to 179 days prior to the initiation of negotiations, you may be eligible for a rental assistance payment or a downpayment up to \$5,250, however, the downpayment cannot exceed the amount of the payment you would have received if you had been a 180-day owner.

If you were in occupancy at the time of the initiation of negotiations, but less than 90 days prior to that date, you will be considered a displaced person entitled to relocation assistance advisory services and moving payments. You may also be entitled to a rental assistance payment if comparable replacement rental housing is not available at a monthly rental rate of 30% or less of your gross monthly household income. If you are required to pay rent and utilities in excess of 30% for a comparable replacement dwelling unit, you may be eligible for a rental assistance payment under Housing of Last Resort because comparable replacement housing is not available within your financial means. If you do not meet the length-of-occupancy requirements you should meet with your relocation counselor for an explanation of the relocation benefits that you may be eligible to receive.

Purchase Supplement

For Owner Occupants of 180 Days or More

If you are an owner and have occupied your home for 180 days or more immediately Prior to the initiation of negotiations for the acquisition of your property. you may be eligible - **in addition to the fair market value of your property** - for a supplemental payment. not to exceed \$22,500 for all costs necessary to purchase a comparable decent, safe. and sanitary replacement dwelling. The agency will compute the maximum payment you are eligible to receive. You must purchase and occupy a DSS replacement dwelling within 1 year.

The Purchase Supplement Includes:

Price Differential

The price differential payment is the amount by which the cost of a replacement dwelling exceeds the acquisition cost of the displacement dwelling. The price differential payment and the following payments are in addition to the acquisition price paid for your property.

Increased Mortgage Interest Costs

You may be reimbursed for increased mortgage interest costs if the interest rate on your new mortgage exceeds that of your present mortgage. To be eligible your acquired dwelling must have been encumbered by a bona fide mortgage which was a valid lien for at least 180 days prior to the initiation of negotiations.

Incidental Expenses

You may also be reimbursed for other expenses such as reasonable costs incurred for title search, recording fees, and certain other closing costs, but not including prepaid expenses such as real estate taxes and property insurance.

The total amount of the purchase supplement cannot exceed \$22,500, according to the law.

Example of A Price Differential Payment Computation

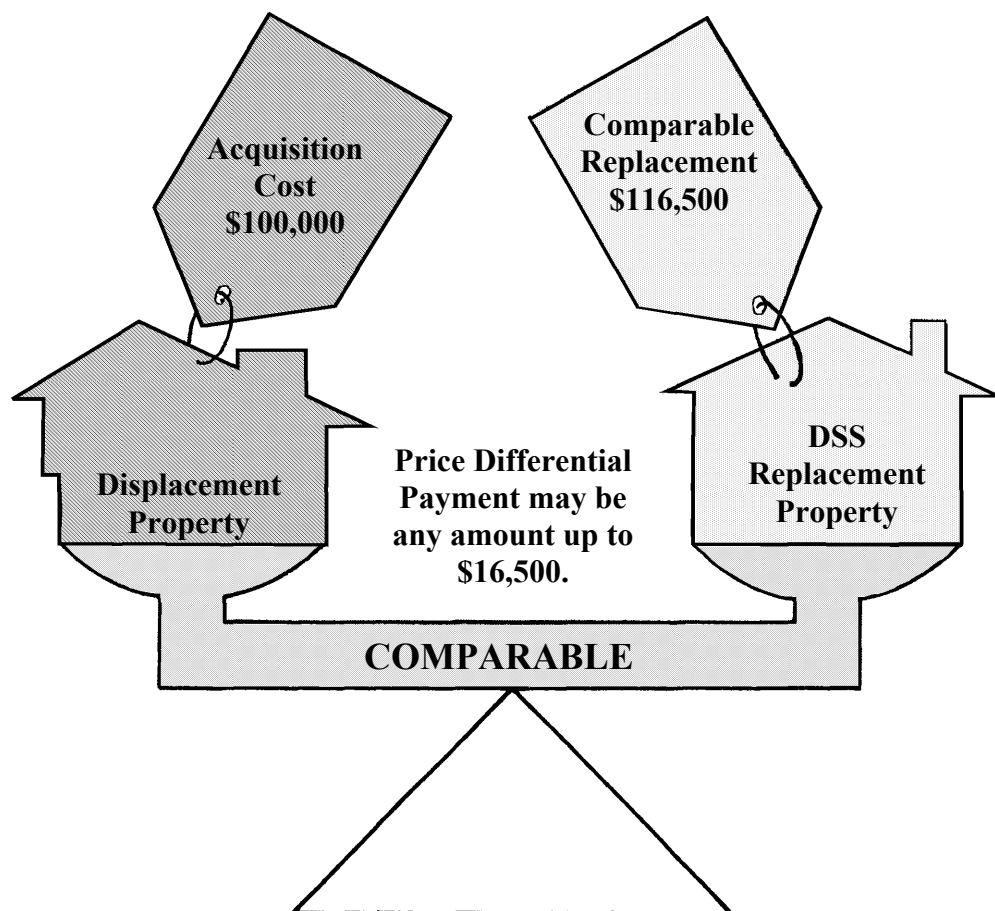

Assume that the Agency purchases your property for \$100,000. After a thorough study of the available comparable residential properties on the open market, the Agency determines that a comparable replacement property will cost \$116,500. If you purchase a DSS replacement property for \$116,500, you will be eligible for a price differential payment of \$16,500; see Example A.

If you purchase a DSS replacement property costing more than \$116,500, you pay the difference as shown in Example B. If your purchase price is less than \$116,500 the price differential payment will be based on your actual cost; see Example C.

The price differential payment you will receive depends on how much you actually spend on a replacement dwelling as shown in the following examples:

Agency's Computation	Cost of Comparable Replacement	\$116,500
	Acquisition Price of Your Property	<u>-100,000</u>
	Maximum Price Differential Payment	\$ 16,500
Example A	Actual Cost of Replacement Property (Same Purchase Price as Comparable)	116,500
	Acquisition Price of Your Property	<u>-100,000</u>
	Price Differential Payment	\$ 16,500
Example B	Actual Cost of Replacement Property	\$125,000
	Acquisition Price of Your Property	<u>-100,000</u>
	Difference	\$ 25,000
	Maximum Price Differential Payment	<u>- 16,500</u>
	You Are Responsible For This Amount	\$ 8,500
Example C	Actual Cost of Replacement Property	\$114,000
	Acquisition Price of your Property	<u>-100,000</u>
	You Price Differential Payment is (Payment Based on Your Actual Cost)	\$ 14,000

Example...

Rental Assistance

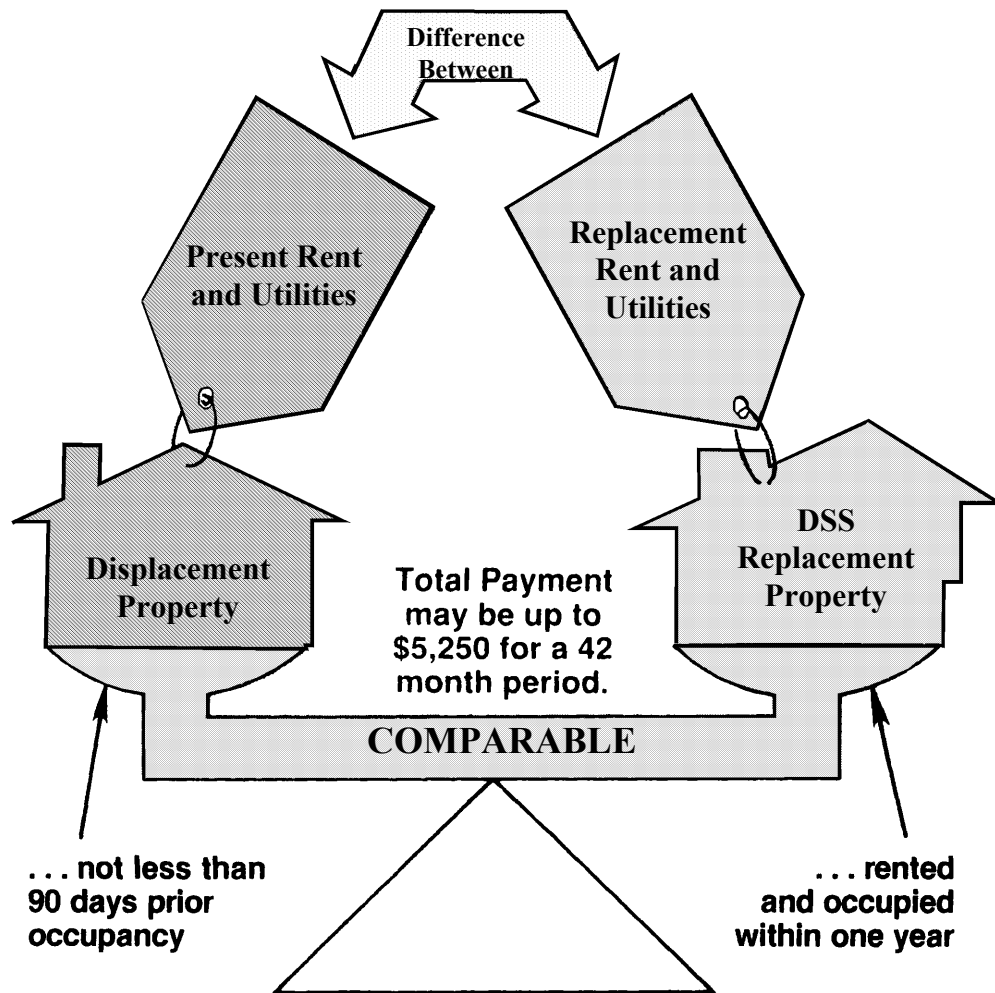

For Owner Occupants and Tenants of 90 Days or More

Owner occupants and tenants of 90 days or more may be eligible for a rental assistance payment. To be eligible for a rental assistance payment, tenants and owners must have been in occupancy at least 90 days immediately preceding the initiation of negotiations for the acquisition of the property.

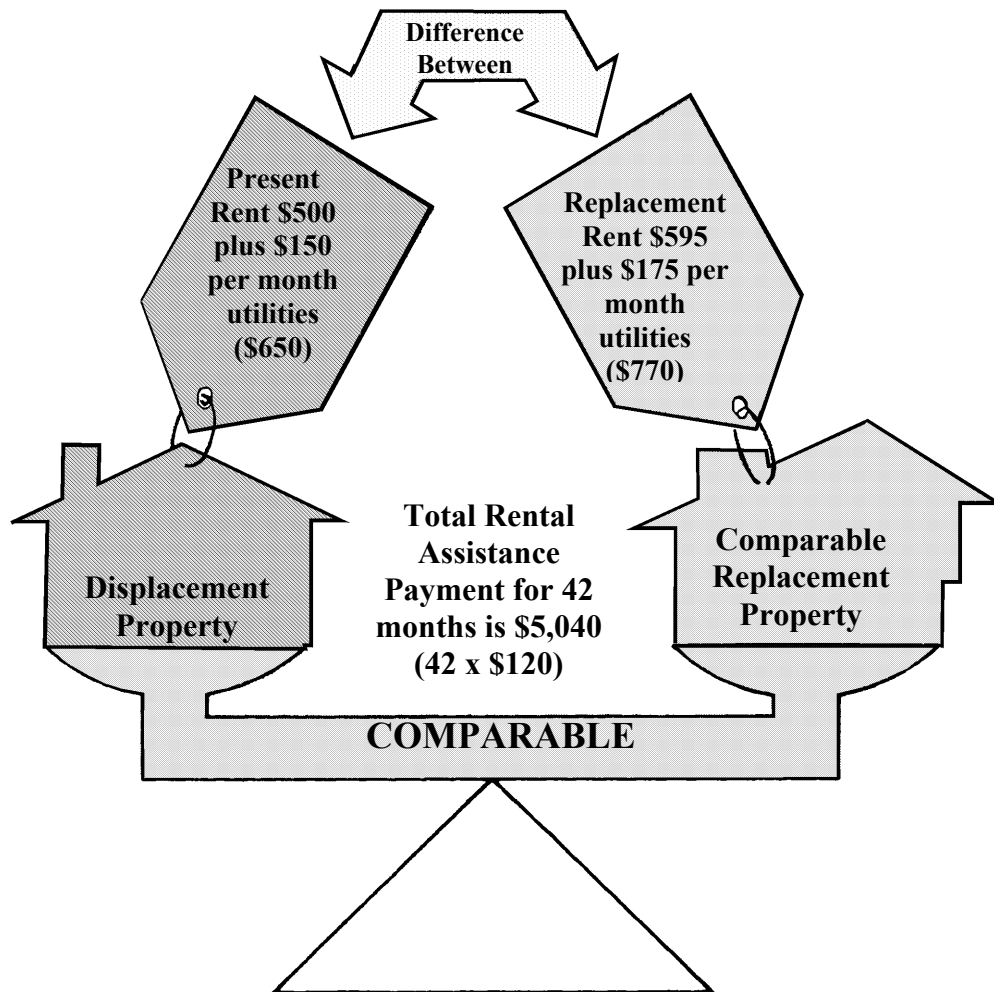

This payment was designed to enable you to rent a comparable decent, safe, and sanitary replacement dwelling for a 42 month period. If you choose to rent a replacement dwelling and the cost of rent and utilities are higher than you have been paying, you may be eligible for a rental assistance payment up to \$5,250.

The agency will determine the maximum payment you may be eligible to receive in accordance with established procedures. The rental assistance payment will be paid in a lump sum unless the agency determines that the payment should be paid in installments. You must rent and occupy a DSS replacement dwelling within 1 year to be eligible.

Example...

Example...

For Instance...

As an example of how a rental assistance computation is prepared by the Agency, let's assume that you have been paying \$500 per month rent for the dwelling unit occupied by you and purchased by the Agency. You also pay \$150 per month for utilities, (heat, light, water, and sewer). After a study of the rental market, the Agency determines that a replacement rental unit, which is DSS and comparable to your unit, is available for \$595 per month. It is estimated that average monthly utility costs for the replacement unit will be \$175 per month. The maximum rental assistance payment you can receive is \$120 per month for a 42 month period, or a total of \$5,040. The rental assistance payment computation always includes the cost of the four basic utilities, (heat, light, water and sewer), as well as the cost of the rent. If the rent includes utilities a separate computation will not be necessary.

Option A

If you select a replacement dwelling unit that rents for \$650 per month plus utilities, despite the availability of comparable DSS replacement rental units that rent for \$595 per month plus utilities, you will still receive only the maximum amount computed by the Agency, or \$5,040. In other words, you must pay the additional \$55 per month yourself.

Option B

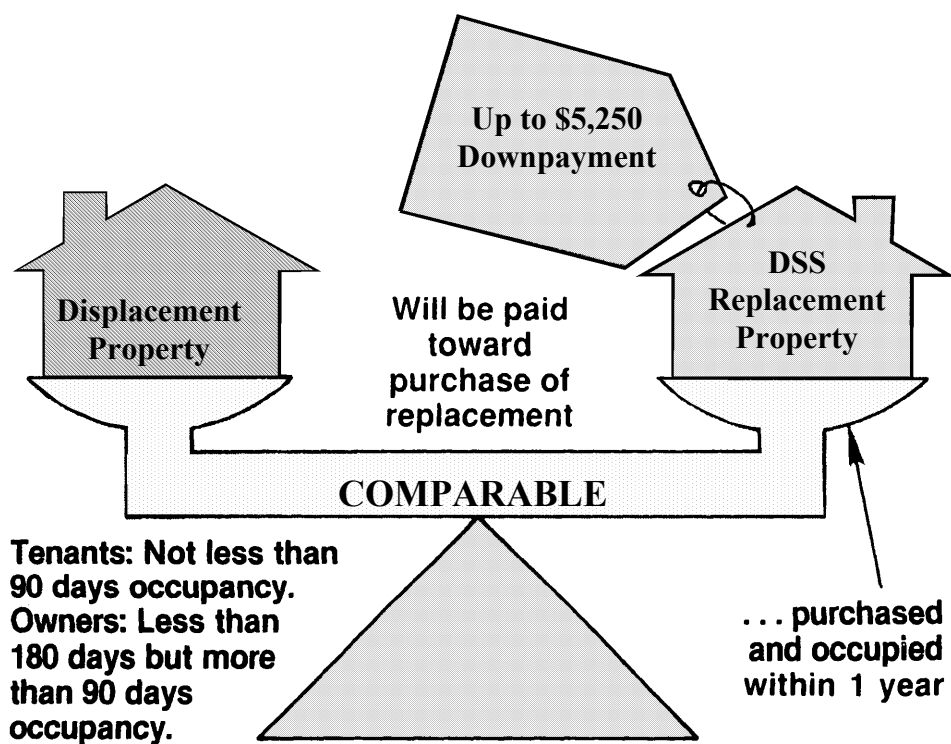

If you select a replacement dwelling unit that rents for more than your present unit, but less than the amount determined by the Agency as necessary to rent a comparable unit, your payment will be based on actual cost. For example, assume you select a replacement dwelling unit that rents for \$575 per month plus \$165 for utilities. On the basis of actual cost you will be eligible for a payment of \$90 per month for 42 months, or \$3,780.

Owners

Displaced owners who are interested in renting a replacement property should contact the Agency for a complete explanation of this option since the computation is more complex.

Downpayment

Owner Occupants of 90 to 179 Days and Tenants of 90 Days or More

Downpayment

Owner-occupants of 90 to 179 days and tenants of 90 days or more may be eligible for a downpayment and incidental expenses, not to exceed \$5,250. The Agency will determine the maximum downpayment you may be eligible to receive based on its computation for a rental assistance payment discussed on page 24, or a maximum of \$5,250. However, the payment for a displaced owner occupant cannot exceed the amount of the payment that would be received by a 180 day owner for the same property as explained on page 19. The relocation counselor will be able to explain how the Agency determines the maximum downpayment assistance payment.

Incidental expenses include the reasonable costs of a title search, recording fees, and certain other closing costs but do not include prepaid expenses such as real estate taxes and property insurance. You may also be eligible for the reimbursement of loan origination or assumption fees, if such fees are normal to real estate transactions in your area and they do not represent prepaid interest. The combined amount of the downpayment and incidental expenses cannot exceed the maximum payment of \$5,250.

Downpayment Computation

	Example 1	Example 2	Example 3
Required Downpayment	\$5,000	\$5,000	\$4,500
Closing and Incidental Costs	<u>+ 950</u>	<u>+ 950</u>	<u>+ 750</u>
Total Amount Needed	\$5,950	\$5,950	\$5,250
Agency Downpayment Payment	<u>-4,800</u>	<u>-5,250</u>	<u>-5,250</u>
Displaced Person Pays	\$1,150	\$700	\$ 0

Explanation of Downpayment and Examples

If you are an owner-occupant of 90-179 days or a tenant of 90 days or more, you may be eligible for a downpayment up to \$5,250. The amount of a downpayment you will receive depends upon agency policy. Many agencies will limit such assistance to the amount of the computed rental assistance payment for a tenant or an eligible homeowner, however, the maximum payment cannot exceed \$5,250. This explains the difference in the agency payments depicted in the examples on page 28. Refer to page 25 for a detailed explanation of a rental assistance computation.

On the previous page, in example 1, the total amount needed to purchase the property exceeded the Agency Payment of \$4,800, making it necessary for the displaced person to make up the difference of \$1,150. In example 2, the displaced person must pay \$700 in addition to the agency payment, but in example 3, the agency payment was sufficient to cover the total amount needed. It will not be unusual in today's inflated real estate market to need more for downpayment and closing costs than the maximum payment established by law, however, the payment should be a great help if it enables a displaced tenant to become a homeowner.

The computation of a downpayment for an owner occupant of 90 to 179 days is limited to the amount an owner would have received if the payment were computed on the basis of a purchase supplement for a 180 day owner. See pages 15 and 16 for an explanation of the purchase supplement and sample computations if you are a short-term owner of 90 to 179 days. Displaced owner occupants of 180 days or more are not eligible for downpayment assistance.

Housing of Last Resort

On most projects, an adequate supply of housing will be available for sale and for rent, and the benefits provided will be sufficient to enable you to relocate to comparable housing. However, there may be projects in certain locations where the supply of available housing is insufficient to provide the necessary housing for those persons being displaced. When a housing shortage occurs, the Agency will solve the problem by the administrative process called Housing of Last Resort.

If comparable housing is not available, or it is not available within the maximum \$5,250 or \$22,500 payment limits, it must be provided before you are required to move.

The Agency may provide the necessary housing in a number of ways, such as:

1. Purchasing an existing comparable residential property and making it available to the displaced person in exchange for the displacement property.
2. The relocation and rehabilitation (if necessary) of a dwelling purchased from the project area by the Agency and making it available to the displaced person in exchange for the displacement property.
3. The purchase, rehabilitation and/or construction of additions to an existing dwelling to make it comparable to a particular displacement property.
4. The purchase of land and the construction of a new replacement dwelling comparable to a particular displacement property when comparables are not otherwise available.

5. The purchase of an existing dwelling, removal of barriers and/or rehabilitation of the structure to accommodate a handicapped displaced person when suitable comparable replacement dwellings are not available.
6. A replacement housing payment in excess of the maximum \$5,250 or \$22,500 payment limits.
7. A direct loan which will enable the displaced person to construct or contract for the construction of a decent, safe, and sanitary replacement dwelling.

All eligible displaced persons have a freedom of choice in the selection of replacement housing, and the Agency will not require any displaced person, without his/her written consent, to accept a replacement dwelling provided by the Agency. If a displaced person decides not to accept the replacement housing offered by the Agency, the displaced person may secure a replacement dwelling of his/her choice, providing it meets DSS housing standards.

If you are eligible for replacement housing under the Housing of Last Resort program, you will be so informed by the relocation counselor, who will thoroughly explain the program.

To All Persons Displaced From A Residence...

The most important thing to remember is that the replacement dwelling you select must meet the basic "decent, safe, and sanitary" standards. Do not execute a sales contract or a lease agreement until a representative from the Agency has inspected and certified in writing that the dwelling you propose to purchase or rent does meet the basic standards. Please do not jeopardize your right to receive a replacement housing payment by moving into a substandard dwelling.

Fair Housing

The Fair Housing Law (actually Title VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968) sets forth the policy of the United States to provide, within constitutional limitations, for fair housing throughout the United States. These Acts and Executive Order 11063 make discriminatory practices in the purchase and rental of most residential units illegal if based on race, color, religion, sex, or national origin.

Whenever possible, minority persons shall be given reasonable opportunities to relocate to decent, safe, and sanitary replacement dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require an acquiring agency to provide a displaced person with a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling outside of an area of minority concentration.

Section II

Information on Relocation Services

Relocation Assistance Services...

Any individual, family, business or farm displaced by a Federal or federally assisted program shall be offered relocation assistance services for the purpose of locating a suitable replacement property. Relocation services are provided by qualified personnel employed by the Agency. It is their goal and desire to be of service to you, and assist in any way possible to help you successfully relocate.

Remember -- they are there to **help** and **advise** you; be sure to make full use of their services. Do not hesitate to ask questions, and be sure you understand fully all of your rights and benefits.

Any individual who has a disability will be provided assistance needed to locate and move to a replacement dwelling or site. The individual should notify the Agency of any special requirements for assistance.

A Relocation Counselor Will Contact You...

Residential Assistance

A relocation counselor from the Agency will contact you personally. Relocation services and payments will be explained to you in accordance with your eligibility. During the initial interview your housing needs and desires will be determined as well as your need for assistance. You cannot be required to move unless at least one comparable replacement dwelling is made available to you. When possible, comparable housing will be inspected prior to being made available to you in order to assure that it meets decent, safe, and sanitary standards.

In addition, if you desire, the relocation counselor will give you current listings of other available replacement housing. Transportation will be provided to inspect available housing, especially if you are elderly or handicapped. The agency will also provide counseling or help you get assistance from other available sources as a means of minimizing hardships in adjusting to your new location.

You will also be provided with information concerning other Federal, State, and local housing programs offering assistance to displaced persons.

Business and Farm Assistance

The relocation counselor will maintain listings of commercial properties and farms whenever businesses and farms are displaced. Steps will be taken to minimize economic harm to displaced businesses and to increase the likelihood of their being able to relocate back into the affected community. The counselor will also explain and provide advice as to possible sources of funding assistance from other Local, State, and Federal agencies.

Social Services Provided By Other Agencies

Your relocation counselor will be familiar with the services provided by other public and private agencies in your community. If you have special problems the counselor will make every effort to secure the services of those agencies with trained personnel who have the expertise to help you. Make your needs known in order that you may receive the help you need.

In Addition to Personal Contacts...

In addition to personal contacts by the relocation counselor, the Agency may establish a relocation office on or near a project. Project relocation offices are usually open during hours convenient to those persons being replaced, including evening hours when considered necessary by the Agency. The persons employed in the project relocation office will be happy to assist you. The office maintains a variety of information that should be helpful to you, such as:

- Listings of Available Replacement Properties
- Local Housing Ordinances
- Building Codes
- Social Services
- Security Deposits
- Interest Rates and Terms
- Typical Downpayments
- VA and FHA Loan Requirements
- Real Property Taxes
- Consumer Education Literature on Housing

Visit your relocation office if one has been established – you will be more than welcome.

Relocation Advisory Assistance

Checklist

This checklist is a summary of the relocation advisory assistance you may reasonably expect to receive if you are displaced by a Federal or federally assisted project. In addition to the services listed, the Agency is required to coordinate its relocation activities with other agencies causing displacements to ensure that all persons displaced receive fair and consistent relocation benefits.

The Relocation Counselor Must Personally Interview Displaced Persons to:

- **Determine their Needs and Preferences**
- **Explain Relocation Benefits**
- **Offer Assistance**
- **Offer Transportation if Necessary**
- **Assure the Availability of a Comparable Property in Advance of Displacement**
- **Provide Current Listing of Comparable Properties**
- **Provide the Amount of the Replacement Housing Payment in Writing**
- **Inspect Houses for DSS Acceptability**
- **Supply Information on other Federal and State Programs Offering Assistance to Displaced Persons**
- **Provide Counseling to Minimize Hardships**

Another Important Benefit....

No Adverse Effects on:

- **Social Security Eligibility**
- **Welfare Eligibility**
- **Income Taxes**
- **Etc.**

No relocation payment received will be considered as income for the purpose of the Internal Revenue Code of 1954 or for the purposes of determining eligibility or the extent of eligibility of any person for assistance under the Social Security Act or any other Federal law (except for any Federal law providing low-income housing assistance).

Your Right of Appeal

Any aggrieved person may file a written appeal with the head of the Agency if the person believes the Agency has failed to properly determine his or her eligibility for relocation assistance advisory services, or the amount of a relocation payment.

If you have a grievance, you will be given a prompt and full opportunity to be heard. You will also have the right to be represented by legal counsel or other representative in connection with the appeal, (but solely at your own expense).

The Agency will promptly review your appeal and consider all pertinent justification and information available to ensure a fair and full review. The Agency will provide you with a written determination as well as an explanation of the decision. If you are still dissatisfied with the relief granted, the Agency will recommend that you seek a judicial review.

Section III

Information for Businesses, Farms, and Nonprofit Organizations

Moving Cost Reimbursement: Businesses, Farms, and Nonprofit Organizations

Owners or tenants may be paid on the basis of actual reasonable moving costs and related expenses or, under certain circumstances, a fixed payment.

A. Actual reasonable moving expenses may be paid when the move is performed by a professional mover or if you move yourself (page 45). Related expenses, such as personal property losses (page 46), expenses in finding a replacement site (page 47), and reestablishment expenses (page 48), may also be reimbursable.

B. Or, you may be eligible for a fixed payment of not less than \$1,000 nor more than \$20,000 in lieu of the payments listed in A above. The fixed payment is based on a two year average of the annual net earnings of a business or farm operation. To qualify for a fixed payment, certain conditions must be met. See page 49 for a detailed explanation of the fixed payment. If you represent a nonprofit organization, this payment is computed differently. Contact your relocation counselor for more details.

Two Ways to Move Your Enterprise

Actual Cost Move: You may be paid the actual, reasonable and necessary costs of your move when the move is performed by a professional mover or when you elect to move yourself under this option, however, all of your moving costs must be supported by paid receipts or other evidence of expenses incurred. In addition to the transportation costs of your personal property, certain other expenses may also be reimbursable, such as packing, crating, unpacking and uncrating, and the disconnecting, dismantling, removing, reassembling, and reinstalling relocated machinery, equipment and other personal property. Other expenses such as professional services necessary for planning and carrying out the move, temporary storage costs, and the cost of licenses, permits and certifications may also be reimbursable. This is not intended to be an all-inclusive list of moving related expenses. Your relocation counselor will provide you with a complete explanation of reimbursable expenses.

Estimated Cost Move: If you agree to take full responsibility for all or part of the move of your business or farm operation, the Agency may approve a payment not to exceed the lower of two acceptable bids or estimates obtained by the Agency from qualified moving firms, moving consultants, or a qualified Agency staff employee. A low cost or uncomplicated move may be based on a single bid or estimate at the Agency's discretion. The advantage of this moving option is the fact that it relieves the displaced business or farm operator from documenting all moving expenses. The Agency may make the payment without additional documentation as long as the payment is limited to the amount of the lowest acceptable bid or estimate.

Direct Losses of Tangible Personal Property

Displaced businesses, farms, and nonprofit organizations may be eligible for a payment for the actual direct loss of tangible personal property which is incurred as a result of the move or discontinuance of the operation. This payment will be based upon the value of the item for continued use at the displacement site less the proceeds from its sale or the estimated cost of moving the item, whichever is the lesser.

Your relocation counselor will explain this procedure in detail if you are faced with this problem.

Searching Expenses for Replacement Property

Displaced businesses, farms, and nonprofit organizations are entitled to reimbursement for actual reasonable expenses incurred in searching for a replacement property, not to exceed \$1,000. Expenses may include transportation, meals, and lodging when away from home; the reasonable value of the time spent during the search; fees paid to real estate agents, brokers, or consultants; and other expenses determined to be reasonable and necessary by the acquiring agency.

Reestablishment Expenses

A small business, farm or nonprofit organization may be eligible for a payment, not to exceed \$10,000, for expenses actually incurred in relocating and reestablishing the enterprise at a replacement site. To qualify, the business, farm or nonprofit organization must have not more than 500 employees working at the site being affected who will be displaced by a program or project.

Reestablishment expenses may include, but are not limited to, the following:

1. Repairs or improvements to the replacement real property required by Federal, State or local laws, codes or ordinances.
2. Modifications to the replacement of real property to make the structure(s) suitable for the business operation.
3. Installation of exterior advertising signs.
4. The cost of installing utilities from the right-of-way line to the structure(s) or improvements on the replacement site.
5. Redecoration or replacement such as painting, wallpapering, paneling and carpeting when required by the condition of the replacement site.
6. The cost of license fees and permits when not covered as a moving expense.
7. Marketing studies, feasibility surveys and soil testing.
8. Advertising the new business location.
9. Professional real estate services needed for the purchase or lease of a replacement site.
10. The estimated increased costs of operation at the replacement site during the first two years for items such as:
 - Lease or rental charges,
 - Personal or rental property taxes,
 - Insurance premiums, and,
 - Utility charges (excluding impact fees)
11. One time assessments or impact fees for anticipated heavy utility usage.
12. Other items that the Agency considered essential for the reestablishment of the business or farm.

Fixed Payment (In Lieu)

Displaced businesses, farms and nonprofit organizations may be eligible for a fixed payment in lieu of (in place of) actual moving expenses, personal property losses, searching expense, and reestablishment expenses. The fixed payment may not be less than \$1,000 nor more than \$20,000.

For a business to be eligible for a fixed payment, the Agency must determine the following:

1. The business owns or rents personal property that must be moved due to the displacement.
2. The business cannot be relocated without a substantial loss of its existing patronage.
3. The business is not a part of a commercial enterprise having more than three other businesses engaged in the same or similar activity which are under the same ownership and are not being displaced by the Agency.
4. The business contributed materially to the income of the displaced business operator during the two taxable years prior to displacement.

Any business operation that is engaged solely in the rental of space to others is not eligible for a fixed payment. This includes the rental of space for residential or business purposes.

Eligibility requirements for farms and nonprofit organizations are slightly different than business requirements. If you are interested in a fixed payment please consult your relocation counselor for additional information if you are being displaced from a farm or you represent a nonprofit organization.

The Computation of Your Fixed Payment (In Lieu)

The fixed payment for a displaced business or farm is based upon the average annual net earnings of the operation for the two taxable years immediately preceding the taxable year in which it was displaced.*

Example:

<u>2000</u>	<u>2001</u>	<u>2002</u>
Annual Net Earnings \$16,500	Annual Net Earnings \$18,500	Year Displaced

AVERAGE:

$$\$16,500 + \$18,500 = \$35,000 / 2 = \$17,500$$

$$\$17,500 = \text{Fixed Payment}$$

The computation for the nonprofit organizations differs in that the payment is computed on the basis of average annual gross revenues less administrative expenses for the two year period specified above.

You must provide the agency with proof of net earnings to support your claim. Proof of net earnings can be documented by income tax returns, certified financial statements, or other reasonable evidence acceptable to the Agency.

* Or that two year period deemed more representative by the agency.

This brochure briefly explains your “Right to Appeal” the eligibility and/or the amount of your relocation payment on page 41. If you need additional information about your right to appeal, please contact your Relocation Agent.

Claim Filing Deadlines: To qualify for relocation assistance payments and/or moving expense payments, the applicable claim forms must be filed within 18 months after:

- a) (*For Tenants*), the date of displacement;
- b) (*For Owners*), the date of displacement, or the date of the financial payment for the acquisition of the real property, whichever is later.

This filing deadline applies to residential and/or non-residential moves and relocation of tenants or owner occupants.

The deadline or filing period may be waived by UDOT for good cause.

Denial of Claims: UDOT, or displacing agency, may disapprove all or part of a payment claimed; or, refuse to consider the claim on its merits, because of untimely filing or other compelling reasons. However, if a claim is denied in whole or in part, UDOT, or the displacing agency must promptly notify the claimant in writing of that determination, the basis for the determination and the procedures for appealing that denial or determination.

Review and Appeal Rights: In Utah, if dissatisfied claimants have been denied a payment or are dissatisfied with an amount that claimants believe they should receive, they should send a written request for review of the denial to Lyle McMillan, Director, Right of Way & Property Management of the Utah Department of Transportation. This written request for review must be sent to him within 60 days of the date they received a notice of eligibility or other notice of stating the amount of benefits to be allowed if any. Lyle McMillan will review the facts of the case, make a decision and promptly notify the claimant of that decision.

If the claimants are still dissatisfied after the first review of the case, they may appeal to -----John Njord, Director of the Utah Department of Transportation, for a second review. This appeal or request for a second appeal must be in writing also, including a full explanation of the case and reasons why the denial should be reversed. -----John Njord will review the case and will respond in writing to the request.

Ultimately, if the claimants remain dissatisfied, a judicial appeal may be filed. However, after the results of the second review have been issued by UDOT or the displacing agency, assistance may be sought from the Private Property Rights Ombudsman. If warranted, the Ombudsman may appoint a mediator or an arbitrator to consider the issue. He can be reached by calling (801) 537-3455, or by fax at (801) 538-7315 or by mail in care of the Department of Natural Resources, P.O. Box 145610, Salt Lake City, UT 84114-5610 or by email craigcall@utah.gov.
